

Eskilstuna Culture Night

Open to everyone and free admission throughout the day and evening!

Music, art, dancing, boat trips, poetry, opera, choirs, rap, workshops, try out instruments, baby disco, story time, children's cinema, lectures!

On 30 September, Eskilstuna's streets and stages will be filled with culture and experiences for children and adults. Creativity for children and young people turns to magic and stage experiences at dusk. The culture night is created by everyone who participates, from associations, study associations and museums to libraries and meeting places that open their doors for everyone to meet through culture.

Eskilstuna Municipality coordinates the culture night in collaboration with Eskilstuna Folkhögskola, Scenkonst Sörmland and Studieförbundet Sörmland.
